

VQA Meet

February 16, 2021

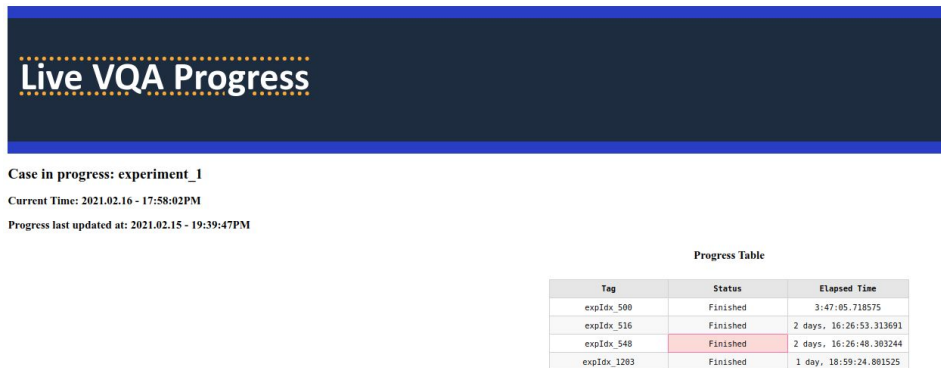

Resource Usage

→ We measured the resource required for all the cases provided so far.

DASH GUI

→ We also create a basic GUI to track the progress of running experiments.

→ Can also add email

Timings

- On 1 instance:
 - Find takes around 4 hours
 - 2 Residual takes around 62 hours.
- We have around 38 days: 912 hours!
- We plan to make 15 instances.
